PROFESSIONAL EXPERIENCE

July 2022 – Present

Internship

Skillhub IT Solutions –Aurangabad

- This was a great opportunity for me to gain valuable experience in React. I was also able to learn how to use state management tools, such as Redux which have been essential in my development career.
- Through this experience, I have gained a strong understanding of web development. I worked on developing web applications and web services using the React JS and Node JS frameworks

PERSONAL PROJECTS

Erios (Hotel Booking)

- I had the opportunity to work on a React JS project that involved integrating various technologies to develop a hotel rooms booking system. I had to use react js for frontend development, redux for state management and node js for back end development.
